

Heat & Moisture Simulation Workshop
Day 1 Workshop Programme
Wednesday 12 June 2024 - ONLINE

9:00	Log in
9:30	Workshop start
	Welcome, introduction and overview
	Effects of Moisture and Hygrothermal Performance Evaluation in Building
	Practice Fundamentals of Hygrothermal Simulation Models and Validation
	Input data: material properties, climate and surface transfer
12:30	Lunch Break (1hr)
13:30	Initial Conditions, Sources and Sinks
	WUFI® Pro Program Tour (video)
17:30	End of first day

Principal Presenters/Instructors

Christian Bludau, Dr.-Ing. - Fraunhofer IBP, Germany
Daniel Zirkelbach, Dr.-Ing. - Fraunhofer IBP, Germany

WUFI® PRO Heat & Moisture Simulation Workshop
Day 2 Workshop Programme
Thursday 13 June 2024 - ONLINE

9:00	Log in
9:30	Workshop start
	Remaining questions from the program tour
	Evaluation of hygrothermal simulation results
	WUFI® Pro Practice Session
12:30	Lunch Break (1hr)
13:30	WUFI® Pro Practice Session
	Handling of Typical Constructions in WUFI®
	WUFI® Family
	Concluding discussion and questions
17:00	Session evaluation and close

Principal Presenters/Instructors

Christian Bludau, Dr.-Ing. - Fraunhofer IBP, Germany
Daniel Zirkelbach, Dr.-Ing. - Fraunhofer IBP, Germany

Please note programme is liable to change.
